Sir,

Adverting to G O No L 1778-9/M1 10-48-8 dated 23-8-48 sanctioning the post of a 1st Grade Clerk for a period of 6 months for conducting the audit of the Stores accounts of the City Municipality, Bangalore and directing that a monthly progress report of work done may be sent for the information of Government, I have the honor to state that an Auditor was posted for taking up the work with effect from 2-9-48 He has been instructed to audit the Stores accounts of a period of 8 years commencing from 1-7-1940 in the first instance, as the registers relating to previous years are not readily forthcoming at this distance of time, if during the course of audit any serious irregularities are brought to light, he will be asked to extend the audit to the period prior to 1-7-1940 also. The Auditor has started checking the stock register of Tools and Plant commencing from 8-1-1943 as the books of account pertaining to the transactions prior to that date have yet to be traced and produced The Municipal Executive Engineer has been requested to expedite the production of the relevant registers and records The audit of Tools and Plant accounts upto end of 30-6-1946 has since been completed and a note of irregularities noticed so far during audit has been given to the

Municipal Engineer for remarks His replies to the objections are awaited. A report as to the further progress made in auditing the store accounts will be sent in the above course of next month.

In this connection I forward herewith a copy of the representation submitted by the Special Auditor and wish to bring to the kind notice of Government that this special audit is of an arduous and responsible nature and in consideration of this I recommend that this special Auditor may be granted 20 per cent Deputation (Duty) Allowance of his grade salary in this department for the period he is engaged on this work. I request that sanction of Government may be kindly obtained to my recommendation and the same communicated to me and the Commissioner, Bangalore City Municipality, very early.

I have forwarded a copy of this letter to the Commissioner, Bangalore City Municipality with a request to kindly obtain the concurrence of the Municipal Council to my recommendation and to forward the same to Government early under advice to me.

Yours faithfully,

M Srinivasan

Comptroller.

The Assistant Comptroller
B L.A C , Bangalore

Sir,

I respectfully beg to bring the following few lines for your kind consideration and favourable orders

In obedience to your kind Memo No 765/Es dated 31-8-48 posting me to the Bangalore City Municipality for special Audit of stores accounts of the Engineering Section, I reported myself for duty on the afternoon of 1-9-1948 to the Assistant Comptroller, B L.A C and am working in the City Municipality from 2-9-1948 I am directed to take up eight years stores accounts from 1-7-1948 to the end of 1-7-1948. The Stores accounts to be subjected to audit scrutiny are too numerous and chiefly come under the following catagories

1 Tools and plant stock registers
2. Old tools and plant register (for unserviceable tools and plants returned)
3 Stock register of Levelling instruments
4. Stock register of oils, greases, waste etc
5. Property register
6 Pipe stock register
7 Stock register of Lorries, spare parts etc
8 Released materials account

The field to be covered in audit is wide. The transactions both receipts and issues under each requires careful scrutiny with all connected references and the nature of the work involves much labour and extra responsibility in view of the fact that the transactions are very old. A recommendation has been made to Government for the grant of a duty allowance of Rs 10/- to each of the first grade clerks that are working in the audit Section attached to the Municipality But in view of the fact that my work is of a specially arduous and responsible nature and the period during which it has to be completed being short viz 6 months, I respectfully request that my case may kindly be recommended to Government for the grant of a Duty allowance at 20 per cent of my pay as a special case from the date of reporting myself in the Municipality, for which act of kindness, I shall ever be grateful to you, Sir.

I beg to remain etc
